

CUHCC'S Sliding Fee Discount Program

What is CUHCC's Sliding Fee Discount Program?

CUHCC offers discounted services to patients who do not have health insurance, cannot afford to pay the full fee for services, or have insurance that does not cover certain services. The Sliding Fee Discount Program is available to all patients, regardless of immigration status. Discounts are based on:

- The number of people who live in your home (children, spouse, legal dependents)
- Household income

The Sliding Fee Discount Program may apply to certain services, treatment, or supplies that are not covered by your insurance and/or if you are uninsured.

How can the program help me?

CUHCC's Sliding Fee Discount Program reduces the cost of services at CUHCC. The Sliding Fee Discount Program may also be honored for patients that we refer to the University of Minnesota's Dental School. Please talk to our billing representative for more information.

Are there other options to pay for my care?

CUHCC's Patient Services Representatives can help you apply for insurance through MNsure or other programs. If you qualify, these programs may pay for the full cost of your care at CUHCC (some dental services are not covered).

How do I apply?

If you do not have insurance, you can apply for insurance through MNsure and CUHCC's Sliding Fee Discount Program. Patient Service Representatives will help you apply in-person. You will need to provide:

- Proof of your household income (see the back side)
- Names and birthdates of family members
- More information may be required to apply for insurance

You must provide the proof of income within 14 days to receive discounted services.

How long will I stay on the Sliding Fee Discount Program?

Enrollment in the Sliding Fee Discount Program is good for one year. After one year, you will need to reapply or update your information. Please inform our Patient Services Department of any changes in your household income and/or insurance coverage.

How much will I pay with the Sliding Fee Discount Program?

The charge for your visit depends on your income and family size, and the type of service you receive. Fees are due at the time of service. The Patient Service Representative will determine your Discount Level A through E. (continued on back)
